Good Company

What a rare and special Joy it is
to see and meet good company
Where all unite through common vision,
A vision unattainable alone.
Where each has learned to share a
special gift with Gladness
When mutual respect has led to
Mutual acceptance
Group support surrounds the leadership
And leaders say without regret your
company is worth the effort

Boris Kramer, Sculptor

Through his father Richard, the traditional blacksmith craft was passed on to
Boris; at home, art and metal were part of a daily life. After completing a
degree in Fine Arts at McMaster University in 1995, Boris committed his artistic
future to metal and joined his father at the forge.
